## Children's Outreach Program

[UnionCountyLibraries.org](http://UnionCountyLibraries.org)

The Children's Outreach program offers early childhood information, parent education, emergent literacy, socialization, and family support in a mobile fashion. It is our goal to provide:

- Services
- Programs
- Resources
- Materials
- and Connections

to promote good health, early learning, parental involvement and community support.

## How it works

- A FREE service to preschools, childcare centers, home daycares, and after-school programs
- Materials delivered on a regular schedule
- Deliveries of age-appropriate materials that spark imagination, inspire exploration and learning, and ignite the reading ritual.
- Scheduled storytimes and programs that focus on building early literacy skills and promoting a lifelong love of learning.

## Materials Available
