

Pay tribute to family and friends with a gift to the community

Tribute Gifts

Union County Library System

From celebrating special life events—graduations, birthdays, anniversaries, new babies, weddings...

To remembering a loved one...

To thanking a supportive teacher or colleague...

To finding a unique gift for a friend who wants nothing...

Tribute gifts recognize the special people who touch our lives.

Honor them by making a tribute gift (in honor/in memory) to the library—it will enrich and enhance the lives of community members with opportunities for lifelong learning, making connections, and sharing ideas.

Gifts may be designated to add materials to the collection, enhance programming and services, or update library facilities. The library will send notice to the honoree or next of kin informing them of the tribute you have made.

With questions, please contact your library.
