Summer Newsletter—2023

It's Summertime at the West End Library and our Summer Program starts on June 1st. We have lots of activities planned for all ages.

For the kids we have STEM activities and a new craft every week. We have some programs planned for adults as well. Of course if you like to stay inside where it is cool we have lots of books to read and DVDs to watch.

The children can earn brag tags again this year for reading books, making crafts, and participating in activities. At the end of Summer we will have a picnic for them and they will get a book and a prize.

The adults who have participated will also have an end of Summer event and get a prize. You can sign up at the library or go to the library's website: unioncountylibraries.org/SummerQuest2023 and sign up there.
